## A FEW OF GINA'S FAVORITE THINGS!

Hot air balloon ride for 6  
Picnic lunch for 6 at Stagecoach Vineyard  
Special food & wine experience at Louis Martini Winery

If you could do anything in Napa Valley what would it be? We asked our Honorary Chair Gina Gallo this question and she gave us an inside scoop to her favorite illustrious wine-filled adventures in the valley, and you're invited to revel in all of them. Let's kick-off this unforgettable day of festivities by whisking away, with your party of six, in a spectacular hot-air balloon ride above our beautiful Napa Valley in your own private basket.

Next, take in the magnificent views of the valley high atop the Atlas Peak AVA and escape to the exclusive Stagecoach Vineyard for a private, locally-sourced picnic lunch provided by Napa Valley-staple Oakville Grocery.

Conclude the day with a special private food and wine experience in the cellar at the iconic Louis M. Martini Winery, with food prepared by Executive Chef Aaron Meneghelli paired with exclusive rare wines from the Estate.

And, even better, to ensure you are treated to the ultimate experience, you and your guests will enjoy the day worry free with transportation provided to and from Stagecoach Vineyard and Louis M. Martini Winery.
