WINEMAKER DINNER AT LA TOQUE WITH BOESCHEN VINEYARDS

Dinner for 8 at La Toque, prepared by Owner/Executive Chef Ken Frank and hosted by Boesch Vineyards Winemaker Doug Boesch

La Toque Owner/Executive Chef Ken Frank has joined forces with vintner Doug Boesch to create an elevated food and wine pairing experience at this intimate private dinner party for eight.

Chef Frank's tasting menus are considered by many to be the ultimate wine and food experience, drawing upon an amazing network of local farmers and purveyors for exceptional seasonal ingredients, brilliantly paired with their curated wine list. His work has earned La Toque a Michelin Star every year stars have been awarded in wine country, and *Wine Spectator's* highest honor, The Grand Award, for its wine list and service excellence.

For this evening he'll pair each course with wines from Napa Valley's Boesch Vineyards, which for 20 years, has produced limited-production wines from its eleven-acre estate. This vineyard possesses a variety of soil types, topography and micro-climates that are ideal for Bordeaux varietals.

Winemaker Doug Boesch will host the table, sharing a selection of wines from the Boesch portfolio, which includes their Winchester Reserve Cabernet Sauvignon (produced only in exceptional years from its best barrels of estate Cabernet Sauvignon), estate Cabernet Sauvignon, Carrera Red Blend and Sauvignon Blanc.

A one-of-a-kind evening, from start to finish.

DONORS: Ken Frank, La Toque, and Boesch Vineyards
