Enjoy downtown Napa's vibrant scene with a feast for ALL the senses through this elevated "crawl" of some of its hottest spots.

What better way to start any festivities than with bubbles? So your day begins at Be Bubbly Napa, where sommelier Suzy will guide you through a private tasting of sparkling wines from around the world paired with delectable bites. Then walk over to Mia Carta, a collective tasting room/lounge featuring gems from small-production, women-owned wineries, for another one-of-a-kind tasting. This time it's charcuterie paired with the wines of Sciandri, Ilsley, Redmon, Rarecat, and Essere.

Then stroll down the riverfront to Angèle, acclaimed for its simple cuisine and warm hospitality of the French countryside, for an exceptional dinner either in the intimate dining room or on the patio overlooking the river. Finally, end the evening with some rock star hospitality and live music just a few blocks away at JaM Cellars Wine and Music Studio. Enjoy front-row seats for the performance, light snacks and JaM Cellars Napa Exclusive wines, a meet & greet with the band, and a bottle of wine for each guest to take home after the show.

Whether you choose to take it all in with one blowout adventure, or spread the festivities over multiple evenings, you'll enjoy big-city-style nightlife right at home.
